Dear Student and Parents:

Your son/daughter has requested an early program for the Fall 2017 semester. This request is based on your child's need to be excused after 9<sup>th</sup> period class in order to participate on a Fall Team.

Wherever possible you will be able to be programmed for this special schedule provided that you do not request extra periods of work that will extend your school day. You will need to complete your academic day by the end of 9<sup>th</sup> period.

**All eligible student athletes must request ZQT-10 (no 10<sup>th</sup> period) prior to scheduling by submitting the form below to Room 103 by April 21, 2017.**

**Should you request extra periods of work for academic reasons it will cause you to be automatically removed from the ZQT-10 list.**

**\*\*ZQT-10 will not be restored once you give it up to satisfy your academic requests or requirements.**

Thank you for your help and understanding.
