COURSE CONTRACT: AP Calculus BC

1. **Course Overview**: Calculus BC is a full-year course in the calculus of functions of a single variable, the equivalent of two semesters of college calculus. The course is intended for students who have already studied college-preparatory mathematics; algebra, geometry, trigonometry, analytic geometry, and elementary functions (linear, polynomial, and rational; exponential and logarithmic; trigonometric and inverse trigonometric; and piecewise).

2. **Major Units of Instruction**: Limits and Continuity, Differentiation Techniques, Applications of Differentiation, Integration Techniques, Applications of Integration, Parametric Equations, and Infinite Series.

3. **Attendance**: Students are expected to be in class unless it is unavoidable. It is each student’s responsibility to get notes and homework from any missed classes. Students are responsible for bringing in a Stuyvesant absence form immediately upon their return to class. Please refer to the school’s policies on what constitutes an “excused absence.”

4. **Tutoring**: Please take advantage of tutoring opportunities at Stuyvesant. Bring to tutoring all materials needed for topic review, including class notes, worksheets, past tests, and any other relevant materials.

5. **Report Card Grades**: Students are responsible for knowing the dates regarding tests, the end of all marking periods, parent-teacher conferences, and any tutoring sessions. Based on department policy, report card grades will be based on the following:

<table>
<thead>
<tr>
<th></th>
<th>Marking Period 1</th>
<th>Marking Period 2</th>
<th>Marking Period 3</th>
</tr>
</thead>
<tbody>
<tr>
<td>Homework/Classwork/Participation</td>
<td>25%</td>
<td>25%</td>
<td>25%</td>
</tr>
<tr>
<td>Assessments (Tests, Quizzes, Projects, etc.)</td>
<td>75%</td>
<td>75%</td>
<td>75%</td>
</tr>
</tbody>
</table>

There will be a minimum of 2 full-period assessments per marking period based on the lessons, class work, and homework. These assessments will be announced *at least* one week before the test date.

6. **Academic Honesty**: Stuyvesant’s students are expected to uphold the highest standards at all times. Failure to adhere to school policy will result in academic and/or disciplinary consequences. Please see the policy at the link below:

Your signature below indicates that you have read and agree to the terms and policies outlined in this class contract.
